Australia's own petite diva, soprano Annalisa Kerrigan, has scored a hit with Australian classical music lovers with her latest ABC Classics CD Ireland. The success of the CD has translated to Annalisa's current tour of her live musical show Ireland. Wending her way through the stories of songs like Danny Boy, Galway Bay, When Irish Eyes Are Smiling and The Last Rose, Annalisa takes you back to the Emerald Isle – home of her Irish ancestors, in a classical, graceful and unpretentious fashion, reminiscent of John McCormack and other long missed Irish singers. Annalisa Kerrigan sold out concerts throughout Europe and Asia, and successfully toured her Irish show throughout regional Victoria to great acclaim.
